NEW RAILROAD RUMORS REVIVED

it is Thought by a Mauch Chunk Authority That This Activity Is in Furtherance of the Long-Talked-of Short Anthracite Coal Route to New England—Restriction of Production Believed to Be for the Best Interests of the Trade—Miscellaneous News Jottings.

It has on any previous day of the week, only 117,652 shares changing hands. The market started off weak under sales for London account, the foreigners having parted with about ten thousand shares of Louis Ville and Nashville, St. Paul, Kansas and Texas, Union Pacific, Atchison and Northern Pacific preferred. The decline in prices ranged from 1/2 to 1/2 per cent. There were a few exceptions. However, New England, Chicago, Gas, Whiskey and Lead showing an advanting tendency, while the general list ran off. New Eng-

For the news that a corps of engineers are surveying routes through the upper portion of Carbon county, presumably with new railway intenions, we are indebted to the Mauch Chunk Daily News: The corps struck the Lehigh, river at Mud Run, having come down Mud Run creek from a point on the new railroad that was recently built from Wilkss-Barre to Stroudsburg. From Mud Run two surveys have been made. One comes WANTED-MAN FOR LIGHT EASY on the Valley side, and crosses the river at Rockport, goes up through monthly, Call's today. D. M. The other survey crosses the Lehigh river at Mud Run and extends along the poor house farm until it reaches the foot of Back mountain. The corps travels under the cog-nomen of the Short Line Improvement company's civil engineer corps. Their work, in the opinion of the News, is no doubt a furtherance of the long talked

> The forthcoming annual report of the Delaware, Luckawanna and Western railroad company will show an in crease in the past year in the anthra-cite coal production of the company itself of about 6; per cent. The excess of coal production from all sources, including tributary lines will be about 350,000 tons. There was a considerable increase in coal profits over 1892 and also in general merchan dise and agricultural produce traffic, but it is doubtful whether the percentage of profit in proportion to the larger volume of business will by as great. The company earned on the stock in 1892, 9; per cent.

to New England, and it looks as if the

coal fields were to be tapped in the vicinity of Eckley, Jeddo and Drifton.

The Ontario and Western railroad company proposes to establish a rail-road Young Men's Christian associa-TO LET FOR A TERM OF TEARS— road Young Men's Christian associa-room along railroad Aprily at 266 Franklin yard. The Carbondale Leader says yard. The Carbondale Leader say-that Superintendent Williams has broached the subject to the men and it has met with universal satisfaction. The company propose to put a second story upon their office building and equip it with bath rooms, reading and sleeping rooms. Such institutions have been inaugurated at Norwich and other points along the line with signal -uccess. The men are to pay twentyfive cents per month for the privileges thus afforded and this will pay the ex pense incident to the hire of a janitor to keep the premises in order. A paper has been in circulation among the men asking for the accommodations, and having received the required number of signatures has been forwarded to the general offices of the company in New

> It is generally agreed that the policy of restriction, agreed upon by the sales agents in New York Tuesday, is for the best interests of the authracit-trade. The total production of Jan uary was fixed at the December meeting of the agents at 60 per cent, of the October output, 'which was 4,500,000 tons, so that the companies would, were this proportion carried out, mine this month 2,700,000 tons. But even this amount has proved excessive; the market could not take it, except at risk of price-cutting. The decision to confine the output for the month to 2,000,000 or 2,250,000 tons was, there

The Texas anti-scalper law has been killed by the decision of Judge Tod.
The present management of the Reading Railroad company have determined upon a much more liberal policy in regard to the matter of cheap excursions to Atlantic City on Sandays during the coming season.

FINANCIAL AND COMMERCIAL

Stocks and Bonds. NEW YORK, Jan. 17 .- Operations at the stock exchange were on a smaller scale than on any previous day of the week, only

and Lead showing an advancing tendency, while the general list ran off. New England rose 136 on the reiteration of the report obout a voting trust. Charles Parsons, who was again mentioned as trustes, claims to know nothing about the matter. Chicago dies advanced \$\frac{1}{2}\$, Whisky \$\frac{1}{2}\$, Lead 1. During the afternoon the market came to a standstill and for fully an hour prices did not vary more than a fraction. The tendency later op, however, was downward and a number of the prominent issues sold at the lowest of the day. At the close a steadier feeling prevailed and the final quotations showed a raily of \$\frac{1}{2} \frac{1}{2} \frac The fell-wing complete table showing the day's fluctuations in active stocks is supplied

known as skin cancer, of thirty years'
standing, and found great relief; it
purifies the blood and removes all irprization from the seat of the discuse
and prevents any sursading of the
sores. I have taken five or all bottles
and feel confident that another course
will effect a cure. It has also relieved
me from indigestion and stomach
troubles. Yours you'r
